## Annual Report Form CF-2: Completions by Time and Race

Previous academic year (including any summer graduates)

**Member School:**

**Survey Year: 2023 - 2024**

Total rows/columns are auto calculated. Degree columns shaded in gray indicate categories for which the member school does not have any approved degrees; continue to report in these categories where applicable.

**Completions:** Count how many students in each category completed their degree in the previous academic year (including those who completed their degree requirements in the summer).

**Unduplicated Headcount:** Count students only once. If students completed more than one degree, count them only in the longer or more advanced program.

**Degree Categories:** The 2020 *Standards of Accreditation* (Standards 4.6-9) describe three categories of MA degrees: those that focus primarily on professional vocations (prof), those that focus primarily on academic study (acad), and those that focus on both (both). Canadian schools offering the BRE for which a completed bachelor's degree is normally required should report those students under MA (prof). "Other Prof Dr" refers to degrees like the EdD, DMiss, DMA, etc. (see Standards 5.-7-10 of 2020 *Standards of Accreditation*).

**Race/Ethnicity Categories:** The categories of race used in this form (and in other ATS Annual Report Forms) correspond to recent research, with input from ATS members. Report as Multiracial for students whose race/ethnicity includes more than one category. Report as Not Available for students who prefer not to disclose such data, race/ethnicity is not listed, or no racial data is known.

- **Asian or PI:** A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or Pacific Islands. This includes people from Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam; or people from American Samoa, Guam, Hawaii, or other Pacific Islands.
- **Black (Non-Hispanic):** A person having origins in any of the black racial groups of Africa (except those of Hispanic origin).
- **Hispanic:** A person of Latin descent, including Cuban, Mexican, Puerto Rican, Central or South American, or other Spanish culture or origin.
- **Indigenous:** A person having origins in any of the original peoples of North America and South America (including Central America) who maintains cultural identification through tribal affiliation or community recognition.
- **White (Non-Hispanic):** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa (except those of Hispanic origin).
- **Multiracial:** A person whose origins are of two or more races.
- **Not Available:** A person whose race or ethnic identity is either unknown or information about that person is unavailable.
