**Institutional Peer Profile Request**

ATS offers the Institutional Peer Profile to its member schools as a statistical resource. Schools may identify no fewer than five and no more than 15 ATS member institutions that they consider to be “peers” on the basis of any of a number of institutional characteristics (i.e., size of enrollment, annual operating budget, denominational affiliation, etc.) and compare their school’s statistics with those of their “peers.” The data are presented in a format that maintains the confidentiality of the peer institutions’ information by providing the peer group figures as a total, average, or median. This specially designed Institutional Peer Profile will be mailed at the end of March or April.

ATS will provide member schools with one institutional peer profile, per year, free of charge. There is a \$100 fee for each additional profile. Complete this form for each requested profile.

Profile Name: \_\_\_\_\_

You should give each profile a name which is distinct and descriptive. For example, a profile based on other schools in your immediate area could be named Geographical; a profile of schools that have the same denominational affiliation could be called Denominational or could bear the denomination name; a list of schools that you wish to emulate could be called Aspirational. Whatever the name, it should identify for you the common thread that links the peer schools you have selected for that profile.

Select five to 15 schools for your profile from the list on the following pages:
