**ATS INSTITUTIONAL PEER PROFILE
 REQUEST FORM**

**Requesting chief administrative officer,
 school name, and school address:**

Institutional Peer Profile Request Form

ATS offers the Institutional Peer Profile to its member schools as a statistical resource. Schools may identify no fewer than five and no more than 15 ATS member institutions that they consider to be peers on the basis of any of a number of institutional characteristics (i.e., size of enrollment, annual operating budget, denominational affiliation, etc.) and compare their school's statistics with those of their peers. The data are presented in a format that maintains the confidentiality of the peer institutions' information by providing the peer group figures as a total average or median.

Twenty-four tables supply the basis for peer analysis. These tables will provide data reported on the Annual Report Forms currently being returned. This specially designed institutional peer profile will be mailed at the end of March or April.

ATS will provide **member schools** with one institutional peer profile, per year, free of charge. There is a \$100 fee for a second profile based on the same 24 tables with a different set of peer institutions. The cost to **nonmembers** for each IPPR is \$100. Nonmembers requesting the IPPR must make advance payment, by check, to *The Association of Theological Schools* at the address at the top of this page. When payment has been received, the completed IPPR will be mailed to the chief administrative officer and address entered in the requesting school section above.

If you wish to receive a profile, please list a minimum of five ATS member institutions with which you wish to be compared. Include the peer **school name**, **city**, and **province/state**.
