Historically, the Association has utilized three classes of membership: accredited, candidate for accreditation, and associate. Under these classes, accredited schools and candidates for accreditation are also members of the ATS Commission on Accrediting. With the advent of changes made in 2020, the Association is shifting to only two classes of membership, which are accredited and associate. The three classes of membership are represented above because several schools were grandfathered under the old nomenclature. Criteria for membership are published on the ATS Web site in the "Accreditation" section.

The figures in this table reflect the membership totals at the end of each calendar year.

The table on the following page shows schools whose membership status changed during the report year.

The Web site www.ats.edu lists the current status of all member institutions.

Table 1.1-B Changes in Membership Status during Academic Year, 2025-2026

School Name	STATUS AT END OF CALENDAR YEAR	
	2024	2025
Heritage Christian University Graduate School of Theology	Associate	Accredited
Inter American University of Puerto Rico-Metropolitan Campus Department of Theology and History	Associate	Accredited
Lancaster Theological Seminary	Accredited	Withdrawn

Membership class descriptions and criteria for membership are on the ATS website.

Table 1.2 (Glossary) Significant Institutional Characteristics of Each Member School, 2025 - 2026

Table 1.2

Significant Institutional Characteristics of Each Member School, 2025-2026, contains the most recently collected data on selected institutional characteristics of each member school.

Status

The two classes of membership are accredited (ACCRED) and associate (ASSOC). Criteria for membership are published on the ATS Web site in the "Accreditation" section. Status is reported as of the end of each calendar year.

I/U/C

Independent, University-Affiliated, and College-Affiliated. These terms are elaborated in Table 1.3.

Race

Each school identifies the predominate racial/ethnic identity of its enrolled students. For definitions of terms, see the Appendix.

Prov/State - (Province or State)

The primary location of each school is identified using postal abbreviations.

Church/Denom - (Church or Denomination)

Each school identifies its religious affiliation when it applies for membership. An explanation of the codes is found in the Appendix. Even though some schools are formally related to more than one denomination, only one denomination is listed in this table.

Expenditures

Expenditures combines Educational and General Expenditures with expenditures for auxiliary or ancillary enterprises, which include in most ATS schools such operations as student housing, meal service, and book store. Canadian school data are reported in Canadian dollars; United States school data are reported in United States dollars.

LT Invest (Long-Term Investment)

Investments held for long-term purposes in accordance with FASB (Financial Accounting Standards Board) No. 124. This phrase replaces "Endowment" in earlier editions of the Fact Book. Canadian school data are reported in Canadian dollars; United States school data are reported in United States dollars.

Faculty

The data on faculty are for fall 2025.

FT

Full-time faculty are individuals with faculty status who devote 50% or more of their time to teaching and/or research.

FTE

FTE Faculty is the number of faculty members who would be teaching if all faculty were teaching full time (50% or more of their time).

Enrollment

The data report enrollment as of fall 2025.

HC

Head count enrollment is the total number of students enrolled.

FTE

FTE (full-time equivalency) is calculated by ATS, using the following formulae: (1) total credit hours divided by 12 for master's programs (based on an average of data submitted by member schools over the last five years) and (2) total credit hours divided by 6 for doctoral programs (the lower number recognizes that doctoral students typically take fewer hours).

TCH

Total Credit Hours is the total number of credit hours sold.

MDiv Tuition + Fees

Master of Divinity program full-time tuition charges plus other fees related to enrollment for the 2025-2026 academic year.

Independent Schools are freestanding higher education institutions. While these schools may have consortial relationships with colleges or universities, they are not controlled by or subsumed within the formal governance structure of a college or university

University-Affiliated Schools are integral parts of larger teaching or research universities with multiple professional schools/graduate programs, typically offering research doctorates in more than one area.

College-Affiliated Schools are integrally related to four-year colleges or teaching universities that have limited additional graduate or professional programs.

Primary Racial/Ethnic Composition identifies the primary racial/ethnic composition of the student bodies as reported by each institution.

Denomination indicates each institution's religious affiliation. Protestant Denominational schools are affiliated with a single or primary Protestant denomination. Inter/nondenominational includes schools with multiple or no denominational affiliation. Roman Catholic schools are diocesan, university departments of theology, and religious order (including union) seminaries in the United States and Canada. Orthodox schools represent Greek Orthodox Archdiocese of America and Orthodox Church in America.

ATS Degree Programs/Categories

The ATS Commission on Accrediting approves more than 250 distinct degree programs. To view all degree programs offered by member schools, please consult the ATS website. Annual Report Form data is reported in the following degree categories which correspond to the *Standards of Accreditation*.

Master's Degree Programs

MDiv: Master of Divinity

MA: Master of Arts *

ThM/STM: Master of Theology (Master of Sacred Theology)

* The 2020 Standards of Accreditation (Standards 4.6-9) describe three categories of MA degrees: those that focus primarily on professional vocations (prof), those that focus primarily on academic study (acad), and those that focus on both (both).

Doctoral Degree Programs

DMin: Doctor of Ministry

Other Prof Dr: Other Professional Doctoral Degrees

PhD/ThD: Doctor of Philosophy or Doctor of Theology

Non-Degree Programs

NonDegree: Non-Degree Programs

Comparing Data Over Time

When comparing data over time, please note the following: The number of member institutions changes in every even-numbered year as additional schools become new members of the Association. The degree programs were recategorized with the adoption of redeveloped accrediting standards. All these changes make over-time comparisons with earlier editions potentially less meaningful. A number of tables report data over a three- to five-year period, and these tables have accounted for these variables. Comparisons over time within these tables are altogether appropriate.

Full-Time Equivalency Computation

Information on enrollment is reported according to Head Count (the total number of students enrolled) and Full-Time Equivalency (FTE). The latter is calculated by ATS in the following ways: (1) total credit hours divided by 12 for master's programs, (2) total credit hours divided by 6 for doctoral programs (the lower number recognizes that doctoral students typically take fewer hours), and (3) total credit hours divided by 10 for non-degree programs.

Prior to 2023, FTE was self-reported, with the following guidance for computation: For all master's level programs FTE is computed in the following manner: Divide the total number of credits required for the degree by the number of terms or quarters prescribed for degree duration to determine the average academic load. The total of credit hours taken by all students in a given degree program in a term or quarter is divided by the average academic load. For all doctoral programs FTE is computed in the following manner: The FTE equals the Head Count (HC), with the exception of the DMin program. The FTE for DMin programs is calculated at one-third of Head Count.

Appendix B Definitions and Other Information

Gender

For students whose gender is known, data is reported as male (M), female (F), and All Other (O) which includes but is not limited to nonbinary, gender-fluid, and those who do not identify as either male or female. For students whose gender is unknown or prefer not to disclose, data is reported as Unknown (U). In some reports All Other and Unknown are combined and labeled as (O/U). Prior to 2023 Unknown was not available for data reporting.

Racial/Ethnic Categories

The categories of race used in this report (and in the ATS Annual Report Forms) correspond to recent research, with input from ATS members.

Asian or PI: A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or Pacific Islands. This includes people from Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam; or people from American Samoa, Guam, Hawaii, or other Pacific Islands.

Black (Non-Hispanic): A person having origins in any of the black racial groups of Africa (except those of Hispanic origin).

Hispanic: A person of Cuban, Mexican, Puerto Rican, Central or South American, or other Spanish culture or origin, regardless of race.

Indigenous: A person having origins in any of the original peoples of North America and South America (including Central America) who maintains cultural identification through tribal affiliation or community recognition.

White (Non-Hispanic): A person having origins in any of the original peoples of Europe, the Middle East, or North Africa (except those of Hispanic origin).

Multiracial: A person whose origins are of two or more races.

Not Available: A person whose race or ethnic identity is either unknown or information about that person is unavailable.

Not listed as a category of race is the former "Visa or Nonresident Alien," which referred to international students of any race and was discontinued in the comprehensive revision of the Annual Reports Forms in 2023. This report will continue to show this category until there is no longer data to report.
