ats Student Questionnaires

Student Data Services Pricing Guide: 2025–26

Entering Student Questionnaire (ESQ) *or* Graduating Student Questionnaire (GSQ)	
Online access via QMI (see NOTES) for the academic year and includes: • one full-color, 50+-page PDF report per eligible batch • one raw data spreadsheet in Excel (XLSX) format per eligible batch • *option* to have eligible batches compiled into one PDF report • inclusion in annual ATS Total School Profile report • inclusion in any composite group report (determined by ATS staff) • access to digital/remote training, webinars, workshops, and consultations • one-on-one administrative/technical support for your coordinator	$400 *or* $600 *both*

Alumni Questionnaire (AQ)	
Online access via QMI (see NOTES) for the academic year and includes: • one survey batch for a single graduating class (or multiple classes combined) • one full-color, 70+-page PDF report per eligible batch • one raw data spreadsheet in Excel (XLSX) format per batch • access to digital/remote training, webinars, workshops, and consultations • one-on-one administrative/technical support for your coordinator	$400

Optional Item Fees	
Administrative fee for additional QMI cohort environment (see NOTES) *Consult ATS Student Data Services staff whether setting up separate instances of the same instrument is right for you. (Example: multiple AQ graduating classes)*	$300 *one-time fee each cohort*
Retrieving raw data or replacing reports from any academic year prior to current	$50 *per file*
Contact Qmail@ats.edu for custom reporting options and pricing.	

NOTES
➢ Access to the ATS Questionnaire Management Interface (QMI) resets annually (ending July 31). ➢ Use custom questions to disaggregate raw data without needing to pay for additional cohorts. ➢ See Resources for Using the Questionnaires web page or email Qmail@ats.edu for support.
