

CALL FOR WORKSHOP PROPOSALS
2023 Student Personnel Administrators' Conference

Service and Formation in Changing Times: Navigating the Trends of Theological Education

March 20-22, 2023 | The Highland Dallas | Dallas, TX

The ATS staff and Student Personnel Administrators' Network Steering Committee invite the submission of proposals for workshop sessions at the 2023 conference. The Student Personnel Administrators' Network (SPAN) Conference is designed to support and develop administrators serving in multiple areas of student services including admissions and enrollment management, career services, financial aid, housing, deans of students, registrars, and more.

The committee invites proposals that either address student services in theological education broadly or focus on one specific aspect of student services work. Potential workshop topics might include:

- The diversification of student services roles
- Integrating formation with academics and its impact on student services
- Student support and mental health
- Best practices in enrollment management
- Resource management for registrars in small institutions
- FERPA/Title IX
- Educational and student systems technologies
- Assessment and evaluation of student services
- Trends in theological education or the church and their potential impact on student services

Workshop sessions will be 75 minutes long and should include active participation of the group, time for reflection and sharing, and relevant resources for participants. As a membership organization of diverse institutions employing people from a wide range of theological, social, and personal perspectives, ATS seeks to promote hospitality for all. Preference will be given to workshops that have practical application, that draw on demonstrated results, and that would help advance the work of student personnel in theological schools.

Proposals should include:

- Name, institution, and position (if you are proposing a panel, list all presenters)
- Contact information (phone, email, and mailing address) for each presenter
- Qualifications of presenter(s) (please attach a curricular vitae)
- Workshop title and 100- to 150-word abstract describing the presentation
- Target audience (e.g., admissions, cabinets, career services, etc.)

The deadline for submission is Friday, January 20, 2023.

Please send proposals (and direct questions regarding format or content) to Dr. Deborah Shadd (shadd@ats.edu) with the subject line "SPAN 2023 Workshop Proposal."
