

New senior leaders welcomed at 85 ATS member schools

BY MARISSA DECHANT

Eighty-five ATS member schools have announced the appointment of 101 individuals as new chief executive officers or chief academic officers in the past academic year.

ATS Executive Director Frank Yamada noted earlier this year the unprecedented transition of senior leadership at ATS member schools since 2017—now totaling 507 changes among CEOs and CAOs.

"This is a time of great transition in leadership at The Association of Theological Schools—a time in which hundreds of men and women have answered the call to lead courageously and creatively," Yamada said. "ATS remains committed to support and serve leaders and schools 'for such a time as this' (Esther 4:14) through its member services."

Congratulations to these new senior leaders:
