**PART A - Extension Education Enrollment**

	YES	NO
Do you offer any courses at any physical locations other than your main campus? <i>If no, please skip the rest of this form. If yes, please continue.</i>		
Do you have any off-campus sites that offer courses for credit <i>less than once a year</i> *?		
If yes, how many of those courses are scheduled in Fall?	_____	# courses
If yes, how many different students are enrolled in those classes this Fall?	_____	# students
If yes, how many different sites offer these "occasional" courses for credit?	_____	# sites

\* These kinds of "occasional" courses were formerly called Type 1 courses.

**ATS ENROLLMENT 2018  
SURVEY OF EXTENSION  
AND DISTANCE EDUCATION PROGRAMS**

**For all other off-campus, for-credit courses** please complete the following.

Name of Site (e.g. Orlando Center or Indy Site)	Site Location (City, State/Prov.)	# of Students this Fall*	Highest Portion of Any Degree Students Can Complete at Site**		
			< 50%	> 50%	100%

**Instructions:**

\* Under the "# of Students This Fall" column, do not count any student more than once. So the same student enrolled in two extension courses would count only once. The number of students entered above should also be included in earlier forms that ask for fall enrollment figures, since those earlier forms should include ALL your fall students, including extension students. The only caveat is that a student taking classes at an extension site and through distance education should be counted on each of these two forms, but should only be counted once in the earlier forms, not twice, since those earlier forms reflect total unduplicated headcount. If an extension site enrollment period is not completed when you submit this form, estimate as best you can how many students will enroll this fall.

\*\* Under the "Highest Portion of Any Degree..." column, please mark only one percentage based on the highest portion of any degree that can be completed at that site. For example, if a site offers three degrees, but only one can be completed totally at that site, you would still mark "100%" and only "100%." These categories were formerly called Type 2, Type 4, and Type 5, respectively.

 INSTITUTIONAL PEER PROFILE REQUEST**

<b>Respondent</b>	
<b>Title</b>	
<b>Phone</b>	
<b>Email</b>	

**Institutional Peer Profile Request**

ATS offers the Institutional Peer Profile to its member schools as a statistical resource. Schools may identify no fewer than five and no more than 15 ATS member institutions that they consider to be “peers” on the basis of any of a number of institutional characteristics (i.e., size of enrollment, annual operating budget, denominational affiliation, etc.) and compare their school’s statistics with those of their “peers.” The data are presented in a format that maintains the confidentiality of the peer institutions’ information by providing the peer group figures as a total, average, or median. This specially designed Institutional Peer Profile will be mailed at the end of March or April.

ATS will provide member schools with one institutional peer profile, per year, free of charge. There is a \$100 fee for each additional profile. Complete this form for each requested profile.

Profile Name: \_\_\_\_\_

You should give each profile a name which is distinct and descriptive. For example, a profile based on other schools in your immediate area could be named Geographical; a profile of schools that have the same denominational affiliation could be called Denominational or could bear the denomination name; a list of schools that you wish to emulate could be called Aspirational. Whatever the name, it should identify for you the common thread that links the peer schools you have selected for that profile.

Select five to 15 schools for your profile from the list on the following pages:
