Balancing Agility and Stability amidst Rapid Change
March 17-19, 2020 | Hyatt Regency Jacksonville Riverfront | Jacksonville, FL

The ATS staff and Student Personnel Administrators' Network (SPAN) Steering Committee invite the submission of proposals for workshop sessions at the 2020 annual conference. The Student Personnel Administrators' Conference is structured around serving administrators from multiple areas of student services including admissions, cabinets, career services, enrollment management, deans of students, financial aid, housing, registrars, and more.

Workshops sessions will be 75 minutes long and should include active participation of the group, time for reflection and sharing, and relevant resources for participants. As a membership organization of diverse institutions employing people from a wide range of theological, social, and personal perspectives, ATS seeks to promote hospitality for all. Preference will be given to workshops that have practical application, and draw on demonstrated results that connect to the theme, *Re-envisioning Theological Education: Balancing Agility and Stability Amidst Rapid Change*, and that would help advance the work of student personnel in theological schools.
