

# Faculty development: ATS leverages buying power with *20-Minute Mentor Commons* subscription

ATS has negotiated a subscription package to Magna Publications' *20-Minute Mentor Commons* that is being made available to ATS member schools **free of charge**.

Magna's popular *20-Minute Mentor* video series covers a broad range of faculty development topics and offers an excellent resource for chief academic officers and faculty members.

There are dozens of topics from which to choose. Among the most popular are the following:

- How Can I Keep Students Engaged with Instructor Presence?
- How Can I Communicate to Engage Students and Encourage Learning?
- How Can I Identify and Overcome Obstacles to Change?
- What Do Adjunct Faculty Need to Be Successful in the Online Classroom?
