

Faculty development: ATS renews 20-Minute Mentor Commons subscription

Based on high-frequency usage, The Association of Theological Schools (ATS) has renewed its subscription for another two years to Magna Publications' 20-Minute Mentor Commons, which is available to ATS member schools free of charge.

Magna's popular **20-Minute Mentor** video series covers a broad range of faculty development topics and offers an excellent resource for chief academic officers and faculty members.

[Learn more](#) about Magna's 20-Minute Mentor, or to receive instructions for activating your complimentary subscription, contact your academic dean or [Debbie Gin](#) at ATS.
