**NOTE:** The denominations and religious traditions above represent formal affiliations of ATS member schools as well as any denomination or religious tradition that represented 10 or more students in the last five years. Please contact Jo Ann Deasy (deasy@ats.edu), Director of Institutional Initiatives and Student Research, if the religious tradition of your institution or a large group of your students is not represented here or if your religious tradition formally changes its name.

The ATS Student Questionnaires were developed for use by members of the Association of Theological Schools (www.ats.edu). An online version of the questionnaire can be ordered through the Association’s Student Information Services (https://www.ats.edu/resources/student-data/questionnaires). The website includes more information on the development of the questionnaires.

For more on the ATS Student Questionnaires, please contact Meghan Niskach, Administrative Assistant for Student Information Services (niskach@ats.edu, 412-788-6505 ext. 223)
