

Profiles of Ministry (POM) 2015–2016 Pricing Guide

Important Information

- It is highly recommended that institutions use both the Interview and Casebook for both stages.
- Stage II Field Observation reports can be extremely helpful in developing a more complete profile but are considered optional.
- Any postage charges incurred for materials sent will be billed along with the profiles.

Report Fees for Stage I and Stage II	
Stage I or II: Casebook and Interview (per individual participant)	\$45
Stage II: Casebook, Interview, and Field Observation (per individual participant)	\$55
Stage I or II: Casebook only (per individual participant)	\$35
Stage II: Casebook and Field Observation (per individual participant)	\$45

All POM orders include the following:

- Electronic copies of individual profiles for each participant including individually coded results of participant interviews
- An electronic copy of a compiled profile for your institution
- Electronic or hard copies of Interview, Casebook, Field Observation, and Interpretive booklets for participants and facilitators
- Hard copies of answer sheets
- Access to online submission of Field Observation answer sheets
- An electronic copy of the advisor’s manual with advanced interpretive information
- Administrative and technical support for coordinators
- Access to training webinars and workshops
